Academic Year 2025-2026.
Activities.

Objectives of the Meeting

1. To review the progress of ongoing research work.
2. To discuss research problems and provide academic guidance.
3. To assess the research methodology and planned activities.
4. To encourage quality research and scholarly publications.
5. To provide recommendations for the timely completion of research work.

REPORT OF THE RAC / DRC MEETING

Date: 18 June 2025

Venue: Dr. Rafiq Zakaria College for Women, Chhatrapati Sambhajinagar

A meeting of the Research Advisory Committee (RAC) / Departmental Research Committee (DRC) was conducted on 18 June 2025. The meeting was attended by the concerned committee members and faculty representatives. The discussion focused on reviewing research progress, examining research-related issues, providing academic guidance, and improving the quality of research activities. The members discussed the importance of systematic research planning, appropriate methodology, regular progress monitoring, and publication of research findings. Prof. Sayed Abed was external referee.

The meeting aimed to support researchers in achieving their research objectives and completing their work within the prescribed timeline.

ACTION TAKEN REPORT (ATR)

Event: RAC / DRC Meeting

Date: 18 June 2025

1. Research progress was reviewed and discussed.
2. Researchers were guided regarding research methodology and planning.
3. Research-related difficulties were discussed for appropriate guidance.
4. Emphasis was placed on regular monitoring and timely completion of research work.
5. Researchers were encouraged to maintain proper documentation and disseminate their findings through scholarly publications.

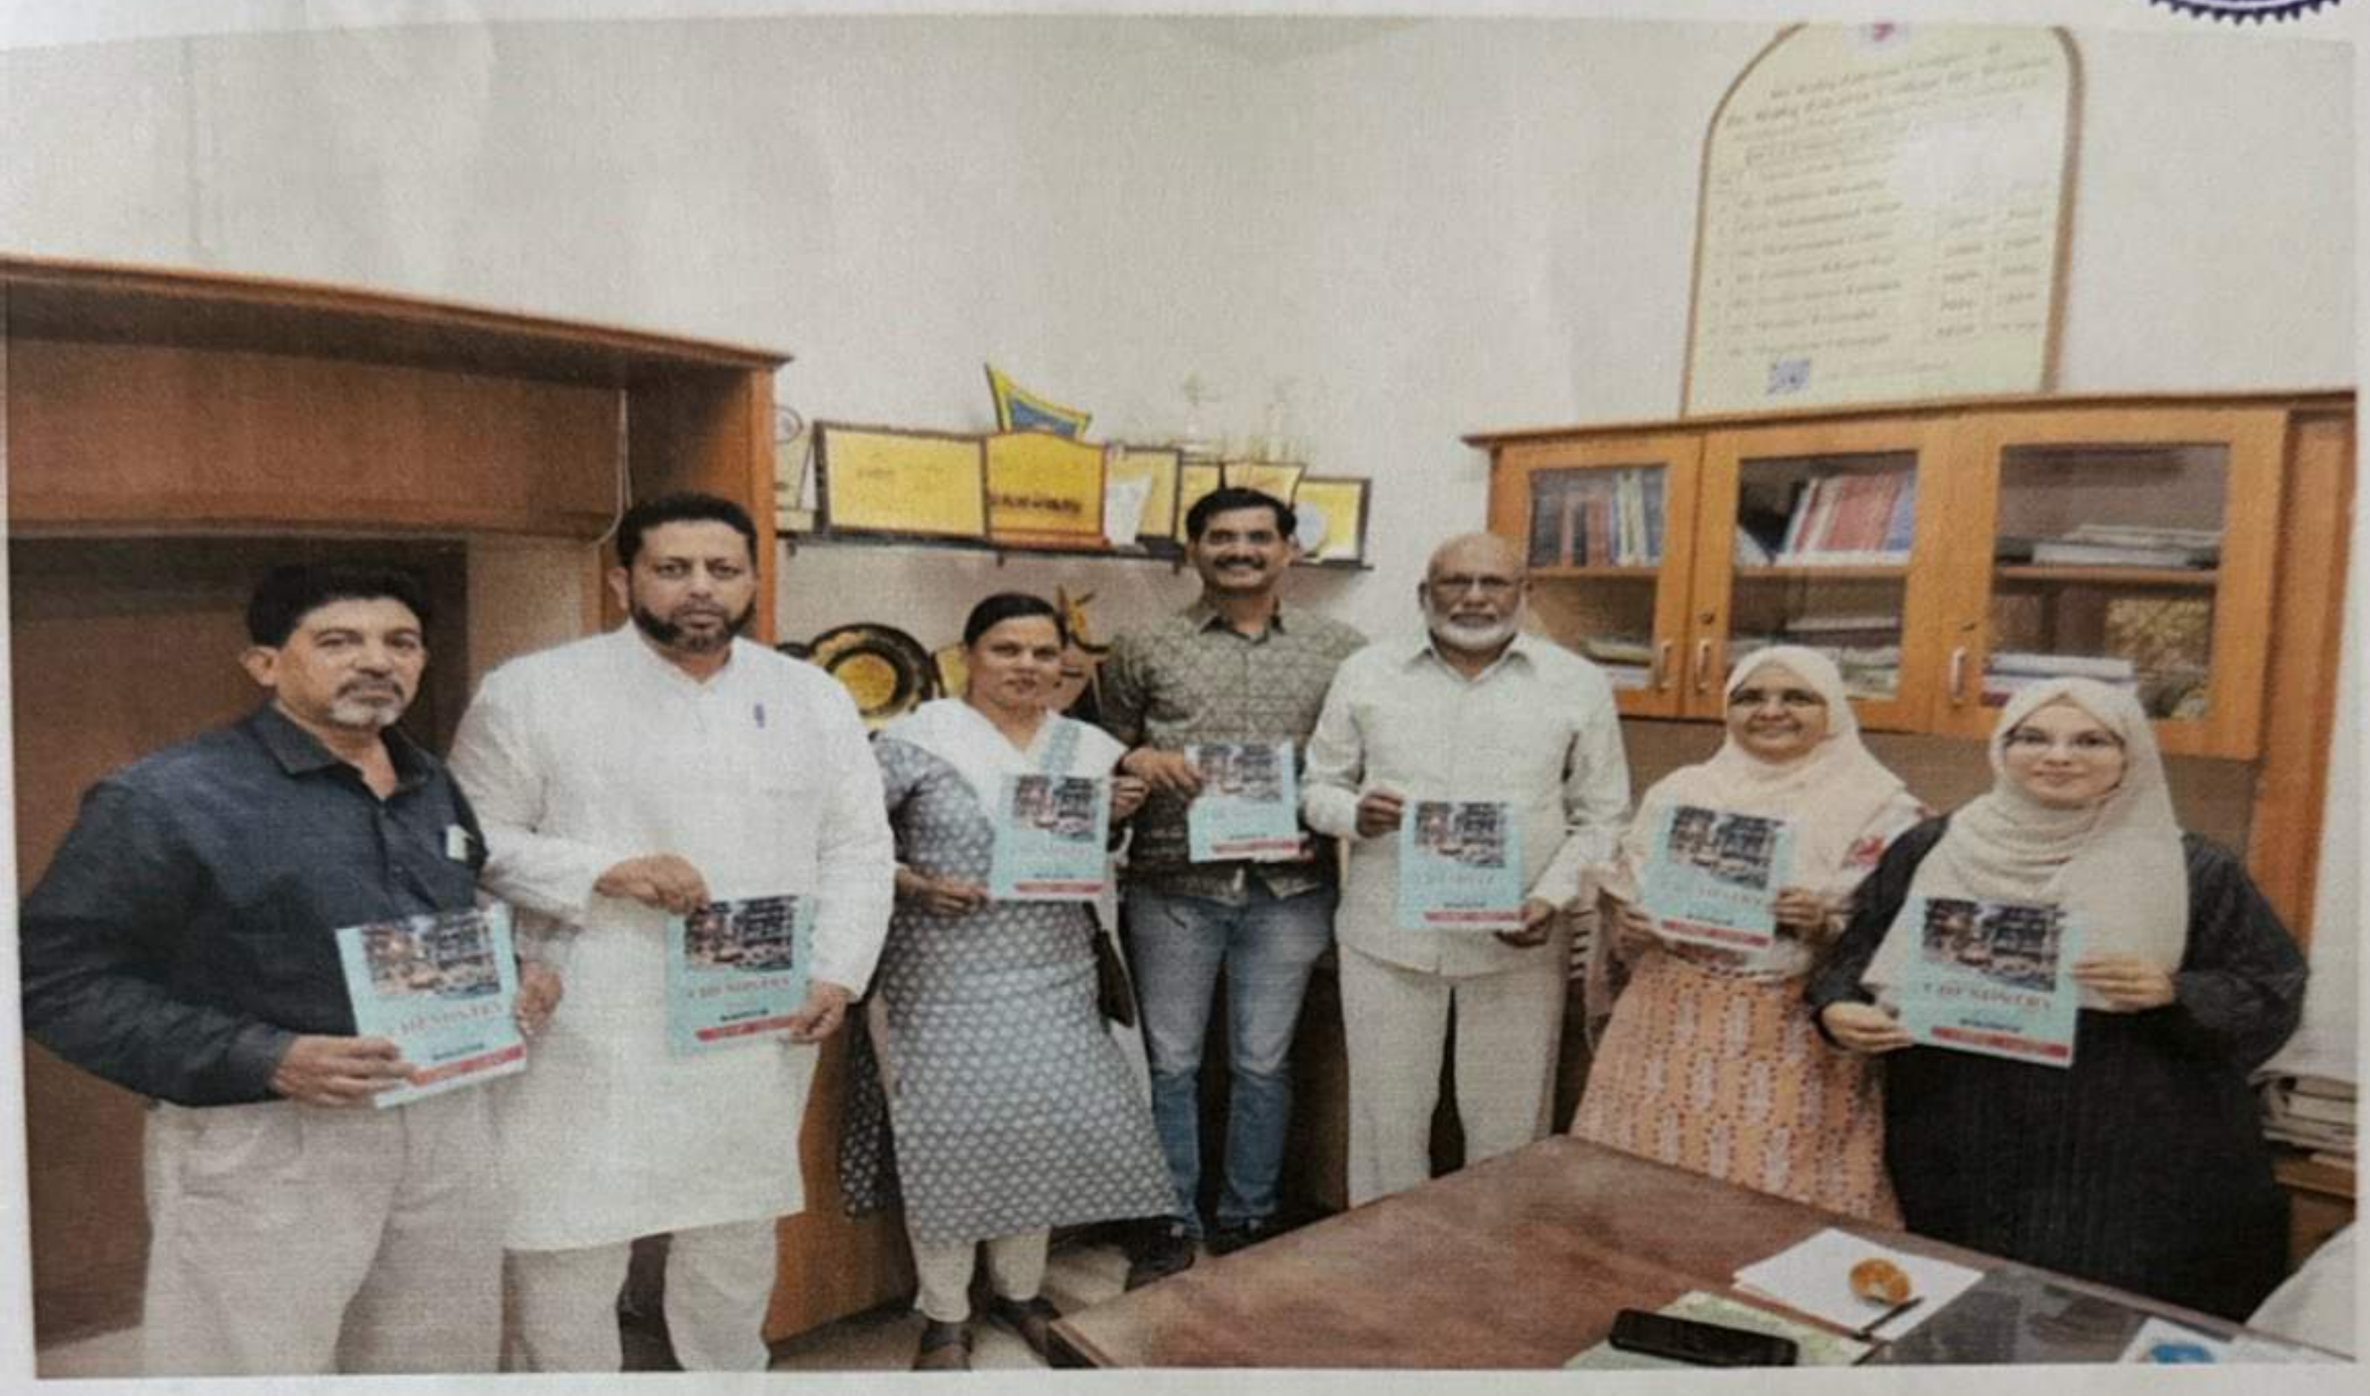

Outcome: The meeting provided a platform for reviewing research progress, addressing academic concerns, and strengthening research practices.

Objectives

- **Increase Publications:** To encourage faculty to publish papers in indexed journals.
- **Secure Funding:** To motivate teachers to apply for research grants from external bodies.
- **Improve Labs:** To identify and arrange new equipment needed for advanced practical work.

3. Minutes of the Meeting (MoM)

- **Date & Time:** July 10, 2025, at 11:30 AM
- **Chairperson:** The Principal
- **Attendees:** Head of Department and Chemistry Faculty

Discussion points:

- The Principal urged the faculty to focus more on experimental and practical research.
- Teachers shared updates on their current student projects and personal research work.
- The staff requested new chemical stocks and better maintenance for lab instruments. The Principal promised budget support.

Action Taken Report

Buy research software

Faculty training

Student projects

Outcomes

- **Clear Targets:** Every teacher agreed to aim for at least one research paper per term.
- **Better Labs:** A new maintenance checklist was created to keep lab instruments running smoothly.
- **New Plans:** The department decided to draft two new project proposals for research funding

"Empowering Young Minds – The Role of Institutions in Scientific Growth"
-Dr. Maqdoom Farooqui

CHEM-CONNECT 2025 Kicks Off at Dr. Rafiq Zakaria College for Women: A Week of Collaborative Learning in Chemistry

Aurangabad, October 6, 2025 — Dr. Rafiq Zakaria College for Women inaugurated the much-anticipated CHEM-CONNECT 2025: A Week of Collaborative Learning today, marking the beginning of a six-day workshop focused on the advancement of chemical education and research collaboration among postgraduate students. The workshop will continue from 6th to 11th October 2025, uniting students and faculty from nine colleges under one academic platform.

This unique initiative was organized under a Memorandum of Understanding (MoU) with various partner institutions, with the aim of sharing knowledge, enhancing conceptual understanding, and promoting interdisciplinary learning in chemistry.

The inaugural session was graced by Prof. S. G. Shankarwar, Head of the Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, who served as the Chief Guest. In his inspiring address, he emphasized the importance of building strong foundational concepts in chemistry and encouraged students to adopt a step-by-step, collaborative approach to learning.

> "Deep understanding and collaborative thinking are key to mastering chemistry," he remarked.

The event was presided over by Dr. Maqdoom Farooqui, who delivered a thought-provoking presidential address titled:
"Empowering Young Minds: The Role of Institutions in Scientific Growth"

In his speech, Dr. Farooqui highlighted the institution's duty to not only educate but also empower students with practical insights.

Dr. Rafiq Zakaria College Students Shine at 14th State Level Science Talent Search Examination

Chh. Sambhaji Nagar, February 23, 2026:
On the occasion of National Science Day, the 14th State Level Science Talent Search Examination 2026 was organized by Balbhim Arts, Science & Commerce College, Beed. The event aimed at promoting scientific aptitude and nurturing academic talent among students across the state.

Dr. Rafiq Zakaria College for Women recorded an impressive performance in the examination. A total of 52 students from the college appeared for the examination, out of which 25 students successfully qualified, reflecting the institution's strong academic foundation and commitment to excellence.

Among the distinguished achievers, Zareen Anjum (B.Sc. II Year) secured the Second Prize at the State Level and was awarded a cash prize of ₹3000. Pathan Ayesha Feroz (B.Sc. I Year) brought further laurels to the college by securing the Third Prize at the State Level and received a cash prize of ₹2000.

Expressing pride over the remarkable achievement, Capt. Dr. Maqdoom Farooqui, Principal, Dr. Vidya Pradhan, Vice Principal, all Heads of Departments, and Dr. Megha Rai, Centre Coordinator, congratulated the students and appreciated their dedication, perseverance, and hard work. They also commended the faculty members for their guidance and support.

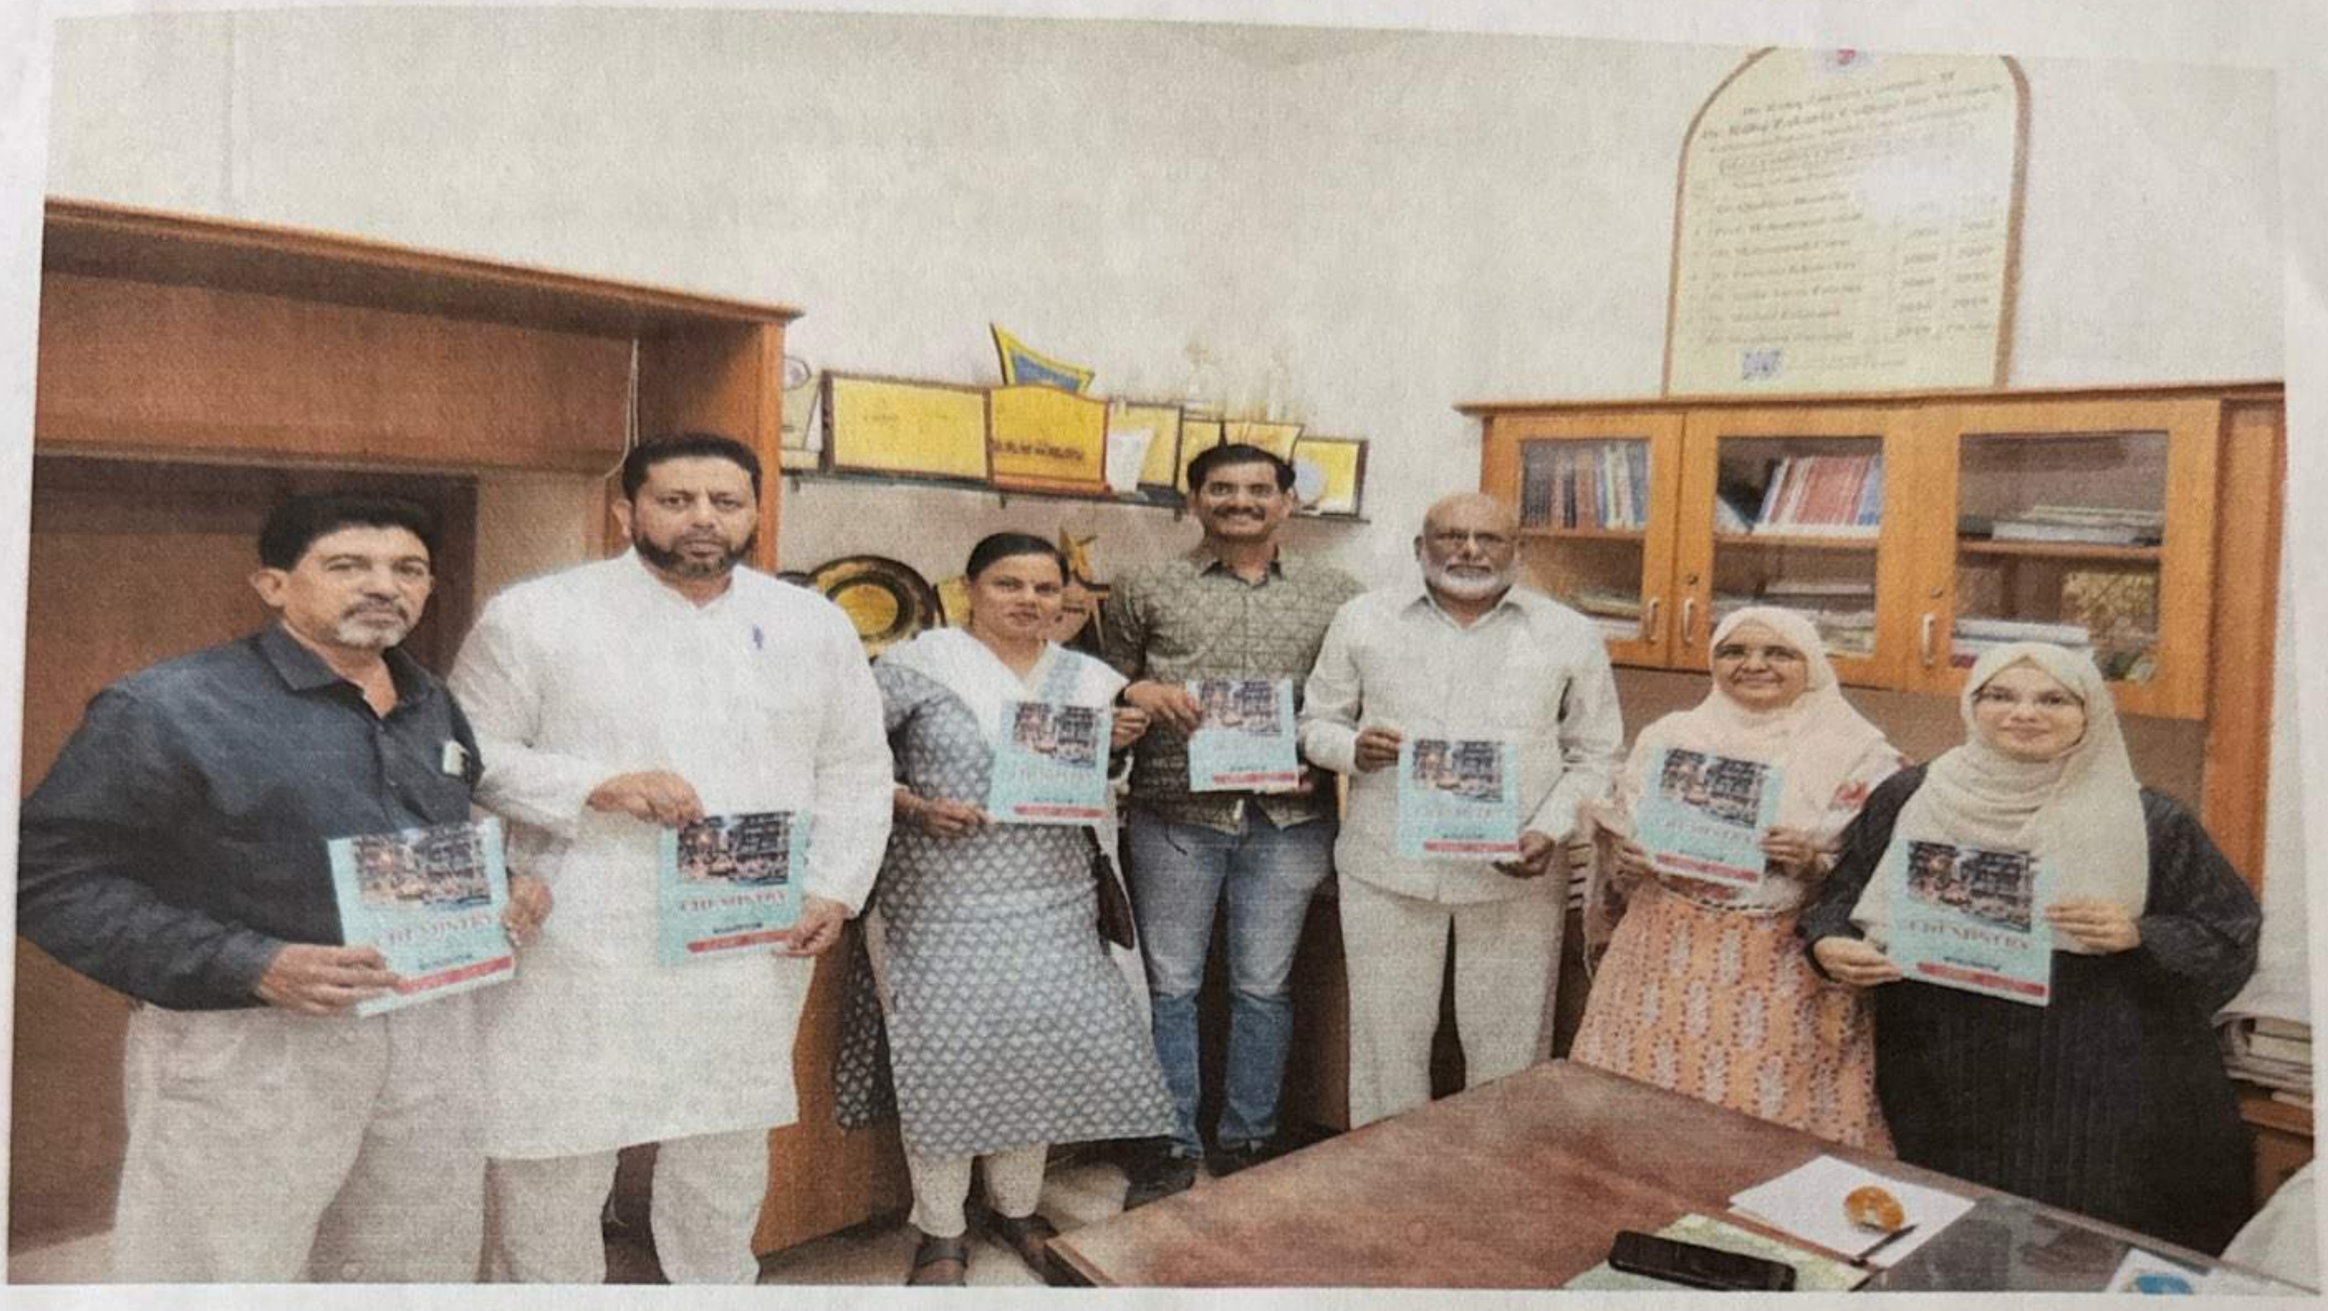

The outstanding performance of the students once again highlights the academic excellence and scientific spirit fostered at Dr. Rafiq Zakaria College for Women
