LET'S ROLL TODAY, FOR A GREENER TOMORROW !

To promote environment awareness & strengthen our commitment to a green campus, our Hon'ble Principal Planted 30 trees (Guava, Fig, Jamun, Tulsi, Kadipatta) in the college Premises. The initiative symbolizes the institutional dedication to environmental conservation, biodiversity & sustainable development.

The department of Zoology organized the tree plantation drive inspired students & staff to actively participate in protecting nature & fostering Eco-friendly practices. The meaningful gesture serves as a reminder that every tree planted today contributes to a healthier greener and more sustainable tomorrow.

Prof. Vidya Pradhan, Head of the Department took the initiative & efforts for the success of the Tree plantation Drive.

Prof. Tanmay Paithankar IQAC Co-ordinator was also present

Prof. Yasmeen Shaikh, Mrs Rubina Siddiqui, Dr. Afreen, Mrs Mehajabeen, Dr. Siddiqui Bushra, Dr. Shagufta, Dr. Kanees, Dr. Nazia, Dr. Javeriya Dr. Shaheem all helped the students for the plantation drive.

It was very joyful and admirable activity to boost the interest of students in biodiversity. Thank to Dr. Maqdoom Farooqui Sir for constant support, inspiration, guidance and motivation to all of us always.
